Hi Ellen,

Classic Parking still intends to receive payment for all months parked. May we meet about this on Monday, or when is the best day/time?

Thanks for sharing, Lito.

The BID is not responsible for invoices that were never delivered, and we cannot back-pay \$23k. We are a non-profit organization that operates on annual budgets and we just went through our renewal with the City which means we started this year with new operations, bank accounts, etc.

That said, we can pay 6 months of parking for 5 vehicles, and will honor complete invoices from this moment forward.

Please provide adjusted invoices at your earliest convenience.

Best,

Ellen

Got it.

You mentioned that Lito has prepared 2 invoices, one for previous months parked and one for May and June 2018. Can you please send those over so we can take a look?

Hi Ellen,

So the attached invoice is also for validations.

The monthly parking had not been invoiced previously, so we bundled the previous months, and also May and June 2018.

Hi Tiffany,

I had a chance to discuss this with my accountant and Board Treasurer. Looking back through our records, we received our first invoice from Classic on 7/31/16 (attached) which included charges from 4/18/16 through July 2016. From then on, we've received monthly invoices, but only for validated tickets. We've never received any invoices for the monthly spaces – can you please confirm where these invoices were being sent? Can you also please provide copies of all the invoices?

Thanks,

Ellen

I hope the treasurer will be available early next week, as we are approaching June.

Lito has prepared 2 invoices, 1 for previous months parked and 1 for May and June 2018.

Hi Lulu, it was a pleasure meeting with you today and we appreciate you diving right in to assist in getting South Park's monthly parking up to date.

Per our discussion, the original monthly fee agreed upon by South Park and Classic Parking was \$200 per vehicle and \$250 per overnight truck.

Since our discussion, Classic has decided to lower the monthly parking fees by \$50 per vehicle and \$50 per overnight truck from January 2016 thru May 2018.

We have also decided to make every vehicle (including the 2 overnight trucks) \$200 per month beginning June 2018.

Here is the breakdown for previous/current months:

Monthly Parking Owed From Previous Months

Jan 2016 – Jan 2016	1 Vehicle(s) @ \$150 = \$150
Feb 2016 – Apr 2018	3 Vehicle(s) @ \$150 = \$450 X 27 Months
Feb 2016 – Apr 2018	2 Overnight @ \$200 = \$400 X 27 Months =
TOTAL	\$ 23,100

= \$12,150

\$10,800

Monthly Parking May 2018

4 Vehicle(s) @ \$150	= \$600
2 Overnight @ \$200	= \$400
TOTAL	\$ 1,000

Monthly Parking June 2018

4 Vehicle(s) @ \$200	= \$800
2 Overnight @ \$200	= \$400
TOTAL	\$ 1,200

Invoices will be provided based on these amounts.

We will need a cancelled check to get your account set up.

We bill 1 month in advance, so all invoices will be marked "Due."

As discussed earlier today, we are willing to take installments on the previous months owed if necessary, however, we are also under the assumption that South Park budgeted for their parking expense, in which we are hoping to collect the full amount as soon as possible.
